Amgen Net Foundation may be able to help

Amgen Safety Net Foundation is a nonprofit patient assistance program that helps qualifying uninsured patients access Amgen medicines at no cost. Amgen Safety Net Foundation offers replacement product for certain physician-administered products. Under this model, providers administer Amgen product from their existing commercial stock to qualifying Foundation patients and then order replacement for the product from the Foundation.

Your patient may be able to receive Amgen medications at no cost from Amgen Safety Net Foundation if they meet the following eligibility requirements:

- Resident of the US or its territories
- Satisfy income eligibility requirements below
- Have no or limited drug coverage
- Do not have any other insurance or financial support options
- Available for outpatient use only

If you have this many people in household...	...your income must be at or below this much each year
1	\$60,300
2	\$81,200
3	\$102,100
4	\$123,000
Each Additional Person	Add \$20,900

How does my patient apply?
